Family blogger Busy City Kids attended the performance back in March and from what eight year-old Anastasia had to say, it was well worth the experience.

*“It was so awesome, that kids wanted to watch it all day. My favourite part was when Captain Kidd did hula hooping at Brat Kids Carnival. The only Italian magician in Brat Kids Carnival was Luigi he is Italian, but he is the best magician ever! In Brat Kids Carnival there is more people like Bugs bunny the hat juggler and more! So if you want to have fun go and watch Brat Kids Carnival,”* said Anastasia, 8-years-old.

Featuring hula hoops at top speed, acrobatics at alarming heights and clowning antics, this cheeky show will get youngsters excited about expressing themselves.

From awe-inspiring to the downright hilarious, this high-energy mix of circus and cabaret is perfect for kids aged four and up. Get ready for pumping music, eye-popping party tricks and other ridiculous acts of amazement.

Put on your party outfits and run away with the circus for the day!
