

DRAW YOUR OWN

Arts Centre Melbourne Spire

Last year we presented the Melbourne premiere of the stage show *Laser Beak Man*!

Laser Beak Man is the colourful superhero created by Australian artist Tim Sharp who has autism and has won fans from all around the world with his unique sense of humour and happy colorful art.

To celebrate the stage show, Tim created this original illustration of the Arts Centre Melbourne Spire.

Inspired by this illustration, can you draw your own Spire?

Feeling InSPIREd?

Draw your own version of the iconic Arts Centre Melbourne Spire

1. Create your own Spire drawing below
2. Who would you bring to the theatre? Add in drawings of your family and friends
