

# The Three Little Pigs

*Make your own house!*

**The three little pigs made houses out of bricks, sticks and straw.  
What will your house look like?**

## **WHAT YOU NEED:**

Scissors, a spare piece of paper, glue, craft items to decorate and draw with.

## **INSTRUCTIONS:**

1. Use a pair of scissors to cut along the solid line around the outside of your house
2. Next, carefully cut along the solid lines on the windows and door.
3. Fold back the windows and door flaps along the dotted line.
4. Stick your house down on a spare piece of paper (make sure you don't glue your window and door flaps down!)
5. Use craft materials to decorate your house in any way you like.
6. Who lives in your house? Draw them inside the windows and doorway.
